Wye River and Separation Creek fire recovery and relief program managed by the Lions Club of Lorne.

Hi again everyone, on behalf of the Lions Club of Lorne we hope that all have been progressing in their recovery and are receiving required relief from relevant parties.

CABIN USAGE: The update on the cabin.

Due to an influx in forward bookings for the Wye River Park and their need to keep business as usual we have a new updated contract with them for all of you.

There will be 1 cabin for now available from 21st March 2016 – Melbourne Cup weekend 2016. It will be a standard cabin towards the back of the park with bedding consisting of a double and 2 sets of bunks, table and chairs and NO ensuite.

The cost per night for cabin (regardless of number of guests) will be only \$20 per cabin per night to cover basic costs. This will need to be paid direct to the Lions Club of Lorne as we have paid for 100 nights in advance to secure this.

Our details for payments are Lions Club of Lorne : Commonwealth Bank – Lorne, BSB: 063-708, Account no. 10083889. Payments should only be made once you have a confirmation email. When making a payment your reference will need to be: cabin and your last name. i.e.: Cabin – Smith.

lornelionsbookings@solution4u.com – is the email address for bookings and enquiries and NO enquiries or bookings can be made through the park as it will all be managed by the Lions Club of Lorne. Please do not call the park regarding this cabin as this is not the process and we unfortunately will then not be able to help you.

All bookings require you to bring your own linen and water and the cabin must be cleaned on departure for next guests staying. No dogs allowed and all guests must obey the rules of the park.

We hope you enjoy your stay ... ***The Lions Club of LorneWE JUST DO IT.....***
