

Spring Into Action!

**Wye River and Separation Creek
Community Environment Day**

3rd September 2016

Lunch 12:00-1:00

Wye River Surf Life Saving Club (SLSC), Great Ocean Rd, Wye River
(after the Community meeting at 10.30 am)

Plant Give Away 1.00 – 2.00

***The Southern Otway Landcare Network, supported by the Wye/Sep
Vegetation Restoration Committee, is generously giving away
FIRE TOLERANT NATIVE PLANTS TO HELP THE COMMUNITY REVEGETATE
THEIR PROPERTIES.***

(We suggest you bring a plastic bucket/container/bag in which to put your plants.)

***Indigenous plants expert and botanist, Judi Forrester, will be there to
answer your questions, and advise you about planting for best results.***

This event is supported by the CRC Flora and Fauna Beachscape Work Group
